▲ Hello and welcome to round 3 of the 2016 Thor British Youth Nationals.

After an action packed round 2 at Brampton we've headed further north and onto Leuchars in beautiful Scotland.

The feedback we've had from the first 2 rounds has been amazing, so thank you all for spending the time sending me emails and talking to me in person over the last 2 events.

Motocross is our primary sport at RHL Activities and we are lucky enough to have the best youth motocross talent at our events in 2016.

If you've never raced at Leuchars before, I'm sure you will enjoy the track. Over the last few weeks we have re-designed and updated the circuit to a standard that only last weekend the Maxxis British Championship held their 5th round here. It's a deep sand track and as always, take your time in practice to get to know the layout and most of all enjoy your weekend with us.

Since our very first British Youth National in 2012 the growth for the championship is very impressive, we have grown incredibly with riders who want to taste the excitement of British championship racing, the Thor British Youth Nationals is your stepping stone to the professional ranks at the Maxxis British Championship and for some the World motocross championship.

Shaun Simpson is our BYN Ambassador, he will be available to answer your questions throughout the 2016 season, you can contact him direct on shaunsimpson24@rhlactivities.com for advice on anything race related.

I would like to thank each and everyone of you for your amazing support - and we will continue to grow and lead from the front as the best and most professional youth championship in Europe.

Lets hope its a great weekend for all, and I hope you enjoy your time with us at Leuchars.

SW85 CLASS

Another rider who just missed out on a top 3 BYN overall British championship podium was Louie Kessell. Louie was super consistent in 2015 and expect more of the same and better in 2016 from the Cornwall based rider.

YOUTH OPEN CLASS

Alexander Brown is the British 125 Youth Champion and moves up to the Youth Open Class in 2016 and like Eddie Wade has already showed his rapid pace by already winning races this year. Zander as he likes to be known, could be the rider to catch this season if his early season form is anything to go by.

WE ALL BO STARS

WHO TO WATCH IN 2016

WE TAKE A LOOK AT WHO TO LOOK OUT FOR IN THE 2016 THOR BRITISH YOUTH NATIONALS. RIDERS WHO MAY COME OUT SWINGING AND CHALLENGE FOR THE RESPECTIVE CLASS BRITISH TITLES. IT'S LONG, TOUGH SEASON AS THE CHAMPIONSHIP HAS BEEN EXTENDED TO 6 ROUNDS COVERING MUCH OF THE UK FROM APRIL TO SEPTEMBER.

65 JUNIOR CLASS

Ollie Colmer finished in 4th place in 2015 in the 65cc Junior class, he's had the winter to grow his confidence and become a little bit stronger on the bike and challenge for the 2016 British crown.

125 CLASS

Most of the last years 125 class riders are now moving up to the Youth Open in 2016, Callum Green made the decision to stay put and focus on his quest to become a British champion. Definitely a rider to watch this season amongst the competitive two stroke 125 riders.

BW85 CLASS

Eddie Jay Wade moves up to the BW85 class having just missed out on the SW85 title in 2015. Word is Eddie is loving his BW85 Husqvarna and has already won races in Europe in 2016. Will Eddie go one better this year at the Thor Youth Nationals and take a British title?

WATCH THE ACTION

SHAUN SIMPSON

WELCOMES YOU TO THE 2016 THOR BRITISH YOUTH NATIONALS //

Hi Shaun Simpson here... Firstly I would like to welcome you to this year's Thor British Youth Nationals at my home track of Leuchars in Scotland, it's going to be a very good weekend ahead for sure.

2016 has brought a new and exciting challenge for me. I will be the all new BYN Ambassador which will be something new and an exciting task for me.

This is something that has interested me for a couple of seasons now, I raced through this championship as a schoolboy back in the day.

Over a modestly successful career so far I have gained many skills, techniques and pointers that I'm willing to pass down and share with you guys to better your performance and widen your range of access to answers of questions that you may have throughout a racing season.

I want to give something back to the sport and hopefully to our future GP riders.

If you have any questions, that you might want answering please email me direct at shaunsimpson24@rhactivities.com. Can't wait to hear from you guys.

Cylinder head set

A little different view was used when developing the RR cylinder head KTM SX65.

Moving up from the 50cc automatic, learning how to use the gearbox, kids need power to be usable but mainly smooth.

For the more experienced kids we need a lot of torque and high revving engines.

The development team came up with solutions fitting both riding levels.

A combustion chamber shape is created giving a smooth strong and broad powerband with a sharp and responsive throttle response. a selection of different volumes gives the possibility of moving the powerband from the low to the top end suiting each riding style.

On the RR cylinder head KTM SX65 the original power valve system can be mounted without any problem.

Wanting less stress, a unbreakable power valve, have a look at the all new RR cylinder head KTM SX65 with the RPPS system.

PERFORMANCE PARTS FOR OUR JUNIOR STARS

Float bowl

Engine bog is a very common thing to the KTM SX65 2009 and up. Especially experienced with aggressive riders.

The RR float bowl eliminates bogging due to a fuel baffling system, that keeps a constant fuel supply to the jets. Using extra large ventilation hoses keeps the siphoning process of the carburetor functional during hard riding. We have increased the size of the float bowl plug to enable the main jet as well as the pilot jet to be reached without disassembly the complete float bowl.

The team behind the UK's leading off-road titles – that's TMX and DBR – have just launched a pair of news apps. Read on to learn more...

1

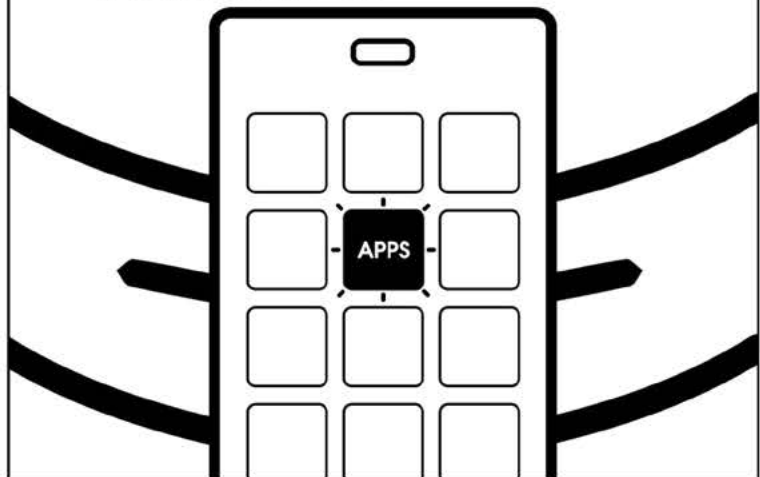

MISSING OUT?

Do you ever get the feeling that you're missing out on essential off-road information or that you're finding out the very latest news way after everybody else?

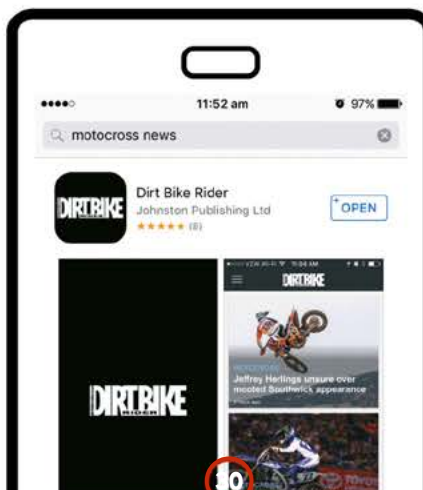

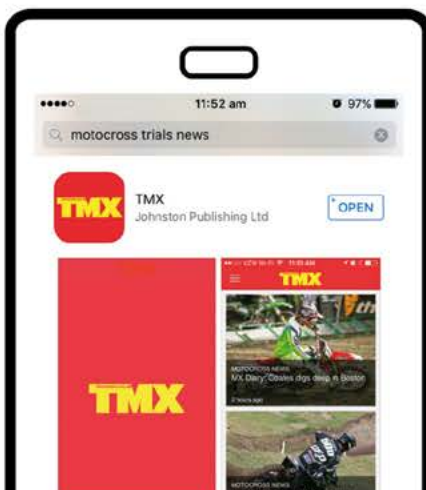

2

Well, fear not because we've just launched DBR and TMX news apps that deliver the most up to date dirt bike stories, images and videos direct to your smart device...

3

Once you've downloaded the apps to your Smartphone or tablet you can access all of our content for free. We like to kill time in the office by watching the videos we've just uploaded. Isn't that weird?

5

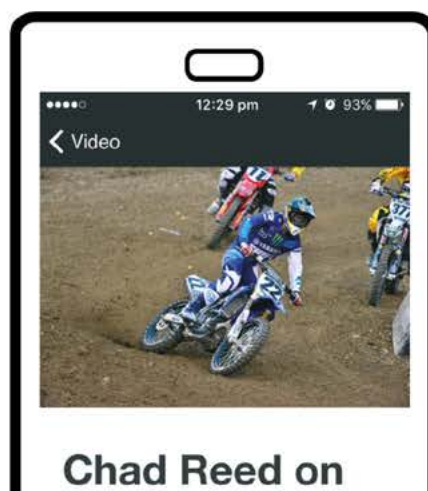

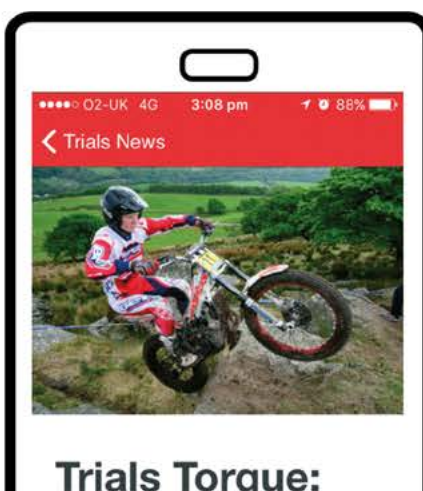

Both our apps are fully responsive which means that all the content can be viewed with your device either upright or – for all you crashers out there – on its side...

6

06 THINGS

/01

125 TO CLOSE TO CALL

The guys in the two stroke 125 class are producing some scintillating close racing. Brompton produced 4 different race winners, Callum Green, Slade Tressler, Todd Ritchie and Tom Grimshaw. Expect the same in Scotland, with 4 rounds still remaining its way to close to call.

/02

TRACK WAS AWESOME

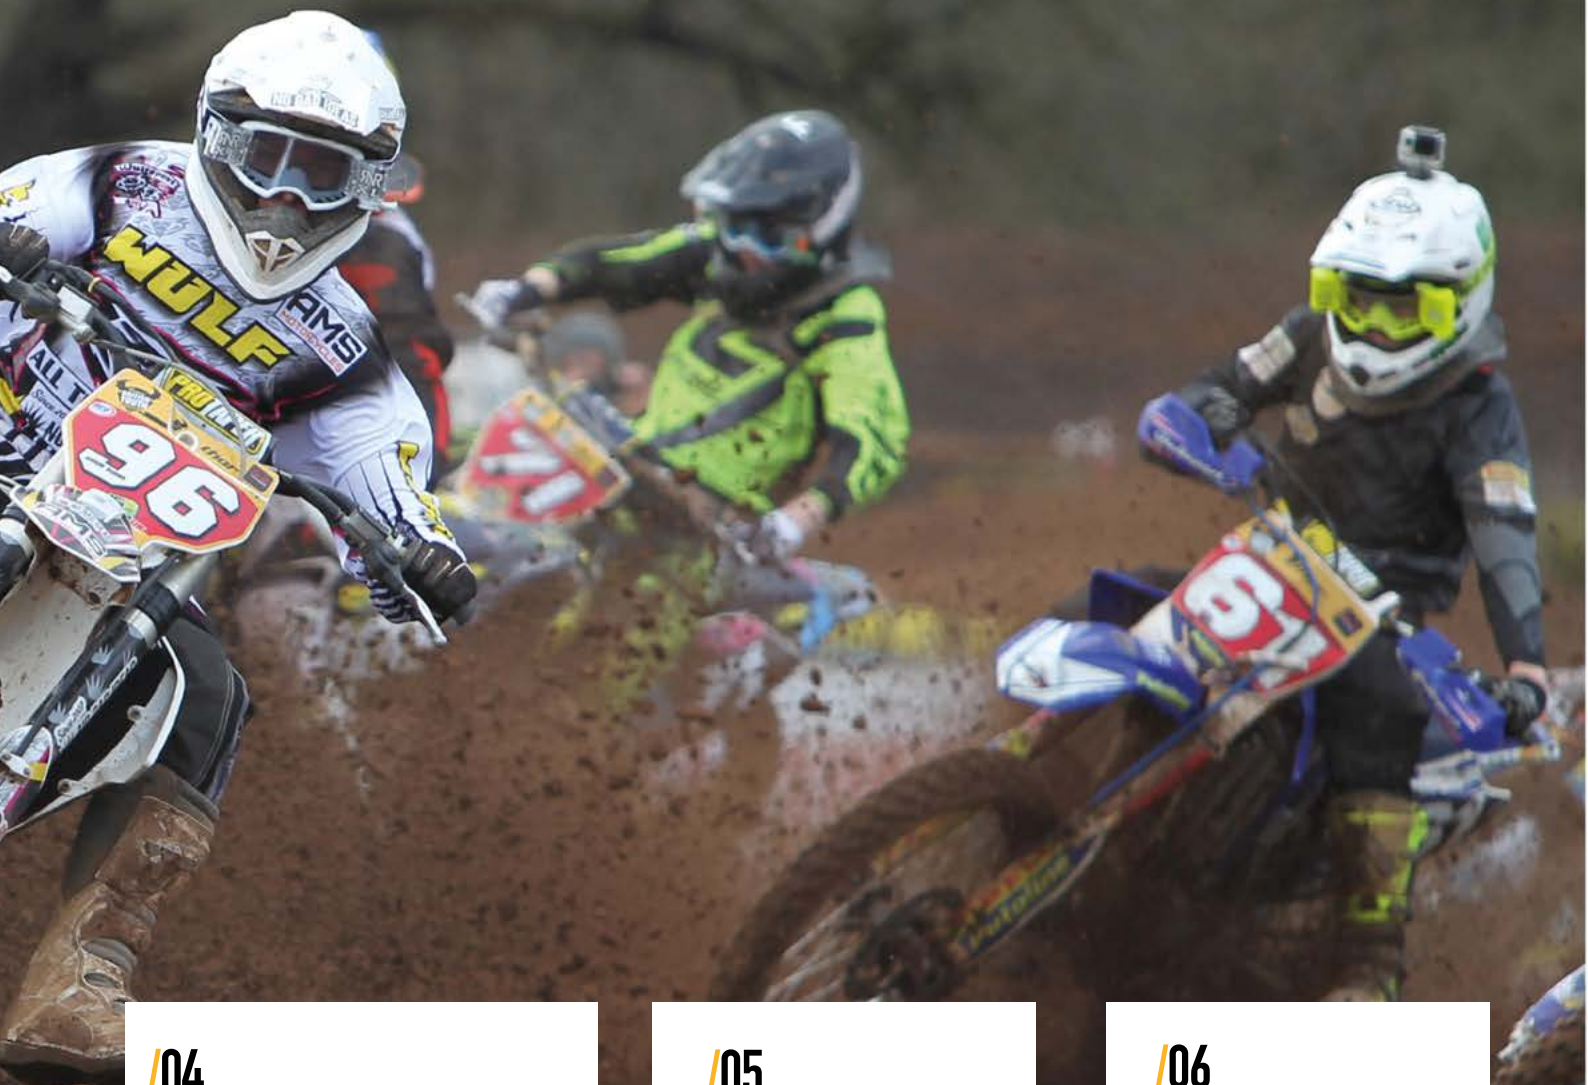

So many of the riders mentioned that the track was so much fun to ride, no huge jumps which produced close technical racing, even with the incredible unseasonal weather, the track held its own and produced a superb weekend of racing.

/03

GGG IS MR CONSISTENT

George Grigg-Pettitt hasn't won a race this year but his consistent top 3 rides places him top of the 2016 Youth Open leaderboard. We're sure George is due a race win anytime now but for the time being GGG is King Consistent.

WE LOVED ABOUT THOR BRITISH YOUTH NATIONALS ROUND 2

/04 CROWD

Sometimes youth racing gets a little neglected when it comes to crowd attendance, really not sure why as the racing is some of the closest and best you will see anywhere. The team here at the Thor British Youth Nationals have moved that goal post and like we did at Fat Cat the crowd at Brampton was mixed with new and old faces to motocross, speaking to some they couldn't believe how talented the riders in all groups are...good work you guys.

/05 CHARLIE HEYMAN IS A BAD DUDE

The only rider in the entire championship to win every race so far is Charlie Heyman. Like GGG his consistency is incredible winning all 10 races in the 65cc class so far, will he continue that here at Leuchars in Scotland? Lets just wait and see.

/06 BYN VIDEO CHANNEL

These guys are producing some awesome video content throughout the 2016 championship, Max and his Dad Phil Hynd AKA Toofastmedia are the guys behind the camera. If you haven't subscribed just yet pop on over to the RHL Activities Youtube page and give us a follow.
